

MATH 2100 / 2350 — FIRST DAY QUESTIONNAIRE

1. What is your name?
2. Do you prefer a nickname?
3. Please tell me how to pronounce your name if you think I will need help.
4. What is/are your major(s)/minor(s)?
5. What math classes have you taken previously?
6. Why are you taking this class? (Be honest!) What are you hoping to learn about? What are your goals?

7. For each of the following topics, circle one. There is no wrong answer, and we will cover all of these topics (and many more) in class

Sets	Never heard of this	Vague recollection	I know what this is
Unions and intersections	Never heard of this	Vague recollection	I know what this is
Induction	Never heard of this	Vague recollection	I know what this is
Writing formal proofs	Never heard of this	Vague recollection	I know what this is
Functions	Never heard of this	Vague recollection	I know what this is
One-to-one and onto	Never heard of this	Vague recollection	I know what this is
Binomial coefficients	Never heard of this	Vague recollection	I know what this is
Pigeonhole principle	Never heard of this	Vague recollection	I know what this is

8. Tell me an interesting fact. (It doesn't have to be about yourself, but it can be!)

In return, here's an interesting fact from me: Amelia Earhart and Eleanor Roosevelt once ditched a White House dinner party to go on a joyride flight to Baltimore.
