

Math 2100

Revision Cover Sheet

**This form must accompany all revisions you submit.
Revisions will not be accepted if this form is not attached.**

Your name: _____

Which assignment are you revising? _____

Is this your first revision for this assignment? Second? etc.: _____

Which exercises from this assignment are you revising? _____

It costs 1 token to revise a quiz question and 2 tokens to revise an exam question.

Demonstrating Productive Failure

What caused you to get this exercise wrong? Be as specific as possible. (E.g.: I misunderstood the definition of X because..., I misread the problem and thought..., I didn't know that X because I wasn't in class that day.)

What could you do differently in the future to prevent mistakes like this?

Checklist

- Fill in the four blanks at the top.
- Answer both of the questions in the section Demonstrating Productive Failure. These questions are really meant to make you self-evaluate, so please take them seriously.
- Staple together this cover sheet, the original graded assignment, any previously graded revisions for the assignment, and the new revision.
- If you do not include all of these things, your revision won't be graded.
